### OUR FAVOURITE FUN SPORTS:

#### RAFTING AND KAYAKING

Rafting is a team sport. Face the challenge together, after all you are all in the same boat. An experienced guide leads you through rapids and rocks in icy water. Kayaking is a fun alternative you should definitely try out. Popular tours are organised in and around Landeck on the **Inn river** or in the **Ötztal valley**. If you fancy a real kick, get onto Europe's most famous adventure tour through a canyon in Imst. More information and equipment is available on [www.sportcampTirol.at](http://www.sportcampTirol.at) or [www.rafting-oetztal.at](http://www.rafting-oetztal.at).

#### CANYONING – CLIMB, SWIM AND SLIDE

Our fantastic landscape boasts a number of canyons and ravines, ready to be explored by you. There is the picturesque **Rosengartenschlucht** in Imst, **Kronburg castle** in Landeck and last but not least the **Area47** at the beginning of the Ötztal valley waiting for you. Join tours with qualified guides and rent the best equipment to make the most of it, for example at the Sportcamp Tirol in Landeck: [www.sportcampTirol.at](http://www.sportcampTirol.at)

#### CLIMBING AND BOULDERING

For all those who aim high there are bouldering centres, high rope challenge courses and other climbing facilities. The difficulty levels range from 2 to 8+ and therefore offer a challenge for every ability. Try out the fixed rope routes with difficulty levels from A – D or the walls the **Area47** at the beginning of the Ötztal valley has to offer. If the weather is not ideal, visit the indoor climbing and bouldering walls at the **Alpinarium** in Galtür, the **arl.rock** in St. Anton or the climbing centre in Imst. Still not enough? There are **high rope challenging courses** in Ischgl and the Area47.

#### PARAGLIDING

Looking across our countless peaks and marvellous valleys, many wish they could spread their wings and take off. Sailing across lush meadows and fields, crystal-clear streams and sharp mountain edges, taking in the colours of the horizon as you are approaching it ... Who wouldn't love to do it? Whether you are dreaming of **paragliding**, **panorama flights** or **thermal soaring** – visit [www.ischgl-paragleiten.com](http://www.ischgl-paragleiten.com) to make it come true!
